Lesson two

# 💖 Joy Comes from Giving

*It is more blessed to give than to receive.*

*Acts 20:35*

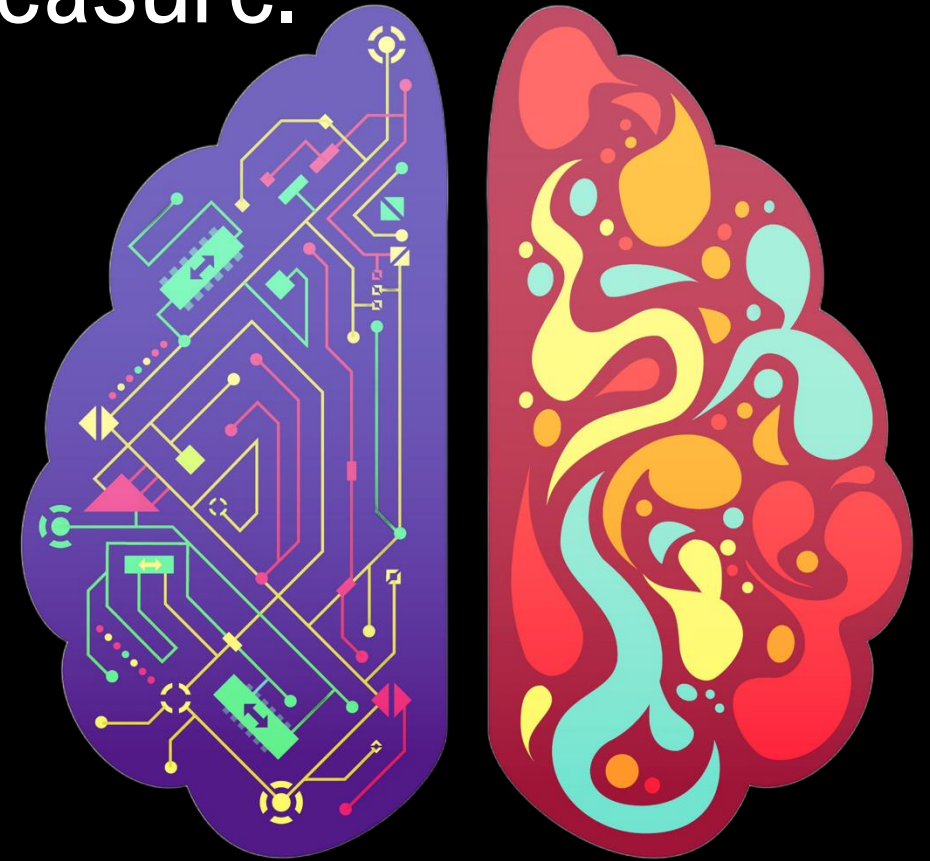

*Give, and it will be given to you.  
A good measure, pressed down,  
shaken together and running over,  
will be poured into your lap.*

*Luke 6:38*

“The acts of giving and receiving gifts  
activate core areas of the brain  
associated with reward and pleasure.”

A close-up photograph of tall grasses against a warm, golden sunset background. The sun is a bright, glowing orb in the upper right, casting a soft, warm light across the scene. The grasses are thin and delicate, with some seed heads visible. The overall mood is peaceful and natural.

# Environment

# Two Types of Environment

Natural Environment — the things God created  
air, water, land, plants, animals, mountains, rivers,  
weather

Human-Made Environment — the things people build  
or change: houses, roads, farms, cities, parks

# Geographical Context

# Geographical Context

A savanna landscape at sunset. In the foreground, there is a large, dark silhouette of an acacia tree. The ground is covered in tall, dry, golden-brown grass. In the distance, a herd of animals, possibly wildebeest, is visible grazing. The sky is a mix of orange, yellow, and blue, with some clouds. The overall scene is peaceful and natural.

The story of a place —  
its land, climate, people, and how they all fit together
