## Kids Gift: Wells

You can help dig a well! In many countries, kids don't have clean water to drink. Sometimes they have to dig in the ground for hours to find enough water to fill one bucket. In other places, kids have to drink dirty river water. Yuck! And it often makes them sick. You can be the hero who gives other kids clean drinking water so they can stay healthy and hydrated.

## Kids Gift: Chickens

Can you imagine your whole family living on just \$1.50 a day? No matter where you live, that's a very small amount. You can make things easier by choosing this gift. Chickens and their eggs can be sold at the market, giving families more money for food, clothes, and other necessities. You can get them started with one little chick!

## Kids Gift: Bees

The smallest creature can sometimes have the biggest impact! When you help a family start a beekeeping business, they'll be able to turn those buzzing bees into money from honey, wax, and pollen. Sponsor a share of a starter kit—bees, a hive, a protective suit, and training—and watch the action take flight!

# Kids Gift: Goats

Many children live on farms and help their parents take care of animals like goats. Their healthy milk and yummy cheese can be eaten or sold at the market. So no one in the family will go hungry! As the goats have babies, the farm will start to grow. If you team up with your friends and each buy a share, you can give a family a goat!
