

DISASTER AND FAMINE RELIEF OFFERING SABBATH—CHURCH OFFERING CALL:

Good morning church,

I am here today to speak to you about the disaster and famine relief offering being collected today. This offering, in support of ADRA International and Adventist Community Services, is an opportunity for us to make a difference in the lives of those affected by crises around the world.

In recent months, a wave of emergencies has spread across the globe, causing havoc and driving countless people into despair. The world has witnessed numerous tragedies, such as the ongoing conflict in Ukraine, earthquakes in Turkey, Syria, Morocco, Afghanistan, and Japan, powerful hurricanes in Mexico, violent cyclones in India, deluges in the Philippines, Brazil, Malawi, and Europe, communities torn apart by violence and forced displacement in Sudan, Venezuela, and the Middle East, arid landscapes in Africa gripped by severe drought and hunger crises, and infernos raging through Chile's forests. It is heartbreaking to see people suffering and innocent lives lost every day.

ADRA International has been working tirelessly to provide aid and assistance to those affected by these emergencies and other disasters. They are on the ground in these countries, providing food, water, shelter, and other necessities to those in need. But they cannot do it alone. They need our support to continue their work and reach more people in need, every time a disaster strikes.

So, let us be generous in our giving today. Let us support ADRA International's efforts to bring relief and hope to those affected by crises around the world. Every dollar we give will make a difference in someone's life. Let us be the hands and feet of Jesus, reaching out to those in need.

Thank you for your generosity and support.
