

World Refugee Sabbath

Instructions: After the presentation of the video, divide the congregation into small groups of 3 - 5 people, where each member can share their opinion and experiences on the questions below:

1. After hearing the stories from refugees from 4 continents, was there any conflict that you weren't aware of? How can people learn more about the conflicts in the world that are outside of the news?
2. Have you had the chance to meet a refugee? And if you are a refugee, please share something short about your experience.
3. How can you support refugees from your big city or small community?
4. Do you know what ADRA is doing for refugees? How do you like to engage?
5. As you watch the video, what prayer may be rising in your mind for refugees, and displaced people?
6. What might God's prayer be for them?
7. Are Christians called in this moment to act in any way on behalf of those who I have been praying for?

Share with your friends on social media with the [#WorldRefugeeSabbath](https://www.instagram.com/WorldRefugeeSabbath)
