

Spot the Difference!

At school you learn and grow. Out of school, you miss out on so much. I hope you like going to school—or look forward to going soon. I know I miss it a lot. Sadly, millions of children like me miss out on an education because we are refugees.

Can you spot the 7 differences in the school scenes below?

Circle them, color the page and ask your parents to share a photo of your finished picture on social media using the hashtag **#WorldRefugeeSabbath**

ANSWERS: 1. Madagascar is missing from the world map. 2. There is an extra pencil in front of the little girl. 3. A leg is missing from the students' table. 4. The teacher's spectacles are missing. 5. The string holding up the world map is missing. 6. There is an extra book on the teacher's desk. 7. The middle of the flowers are missing from the teacher's shirt.
